

Degree Offered

Associate in Applied Science
Agribusiness

Curriculum Code: 65I**Program Information**

Students are prepared for employment in the area of marketing agricultural products. This option allows students to take courses in business and economics for entry positions in agribusiness.

When You Graduate

AAS programs are designed for students who want to enter a career directly after graduating but those who change their plans find that most, sometimes all, of their CCC credits transfer to four-year colleges.

Students are encouraged to visit the NJ transfer website: www.njtransfer.org for transfer course equivalencies.

The latest technology and learning tools support your education for a wide range of employment opportunities.
