

Short-Term Training Certificate

Early Childhood Education Management

Curriculum Code: 935**Program Information**

Designed to provide directors of early childhood facilities, or students who wish to prepare for the position of director, with the skills to design developmentally appropriate programs, create management policies and procedures, and to assess staff strengths and weaknesses.

Credits may be used as Liberal Arts and ECE electives in the Early Childhood Education A.A.S degree.

When You Graduate

Certificate programs provide specific career skills development as well as the opportunity to test an area of interest, or enhance a degree program. Students who complete a certificate program can continue to obtain a degree.
