

Degree Offered**Academic Certificate**

Health Science

Curriculum Code: 723**Program Information**

The Academic Certificate program in Health Science is designed for individuals who completed, or are on track to complete, a post secondary accreditation or state licenses health education program.

This program provides a career and degree pathway for those individuals who are certified or are in the process of earning a certification in a health profession.

Individuals who are, or are in training, as pharmacy technicians, dental assistants, emergency medical technicians, LPNs, phlebotomists, medical assistants, radiographers, etc. and military trained health practitioners may consider this program.

When You Graduate

Students can continue on in CCC's A.A.S. in Health Science or CCC's A.S. in Biomedical Science: Healthcare Option. Students obtaining this certificate can also seek professional advancement in a healthcare profession.

Health Science

Program Requirements (26 credits)	Credits
HS 103 Medical Terminology	2
HS 115 Basic Nutrition	3
Electives	3-21*

General Education Requirements (6 credits)

EN 101 English Composition I	3
PY 101 General Psychology	3

Total Credits	32
----------------------	-----------

*The number of elective credits awarded depends upon student's license/certification. The training and clinical hours required by the student's license/certification will be reviewed by the registrar. Credits will be awarded for program completion and current license/certification upon completion of the courses required for the Health Science Academic Certificate Program. Students without enough elective credits will be required to take additional courses in Health Science and related areas.

Upon completion of this Academic Certification you will have received the necessary training to apply for jobs in a variety of health professions. Please follow the link below to find more exciting job opportunities this certificate leads to.
