

Degree Offered
Academic Certificate
 Business Management/Insurance

Curriculum Code: 509

Program Information

This program prepares students for insurance careers. A minimum of 30 credits is required for degree completion. Twelve (12) insurance equivalency credits will be required from The American Institute for CPCU and the Insurance Institute of America. Credits will be granted based on the National Guide to Educational Credit for Training Programs.

When You Graduate

Certificate programs provide specific career skills development as well as the opportunity to test an area of interest, or enhance a degree program. Students who complete a certificate program can continue to obtain a degree.

Credits will transfer into CCC's Business Management associate degree program.
