

Degree Offered

Associate in Arts
Liberal Arts/Social Science

Curriculum Code: I10**Program Information**

This program is designed for students who wish to transfer to a four-year college after completing the first two years of undergraduate coursework at CCC. The Liberal Arts/Social Science program is not designed for specific majors, but allows graduating students to advance to many different areas of study in the social sciences. As this program allows considerable course options, students should research the degree requirements of four-year colleges that interest them.

When You Graduate

AA programs are primarily designed for students who plan to transfer as juniors at four-year colleges and universities. CCC graduates have obtained bachelor's degrees and beyond from every college in New Jersey and scores of colleges and universities throughout America.

As a graduate of a fully accredited community college, your coursework will be received with full credit transfer at most state colleges, public and private universities across the country. The NJ Lampitt bill passed in 2008 by the NJ State legislature assures seamless transfer of credits toward junior standing at NJ state colleges and universities.

Earn a BA, MA at CCC

Once you graduate from Cumberland County College, you can earn a bachelor's and even a master's degree at the on-campus Shirlee and Bernard Brown University Center. CCC's University Center houses bachelor's and master's degree programs offered by Fairleigh Dickinson University, Georgian Court University, Montclair State University, Rowan University, Richard Stockton College of NJ and Wilmington University.
