

Degree Offered

Associate in Arts
Liberal Arts/Spanish

Curriculum Code: I15**Program Information**

The Liberal Arts/Spanish option prepares students for transfer to a four-year institution majoring in Spanish. Students who complete this option develop excellent reading, writing, listening and speaking competencies in Spanish.

As the number of Spanish speakers increases in the tri-state area, Spanish language proficiency is becoming an essential part of many occupations. The study of the Spanish language will prepare students for careers in interpreting, foreign service, business, law, government, social service, and education.

When You Graduate

AA programs are primarily designed for students who plan to transfer as juniors at four-year colleges and universities. CCC graduates have obtained bachelor's degrees and beyond from every college in New Jersey and scores of colleges and universities throughout America. Cumberland has transfer agreements with a number of four-year colleges and universities.

As a graduate of a fully accredited community college, your coursework will be received with full credit transfer at most state colleges, public and private universities across the country. The NJ Lampitt bill passed in 2008 by the NJ State legislature assures seamless transfer of credits toward junior standing at NJ state colleges and universities.

Earn a BA, MA at CCC

Once you graduate from Cumberland County College, you can earn a bachelor's and even a master's degree at the on-campus Shirlee and Bernard Brown University Center. CCC's University Center houses bachelor's and master's degree programs offered by Fairleigh Dickinson University, Georgian Court University, Montclair State University, Richard Stockton College of NJ, Rowan University, Rutgers/Camden and Wilmington University.
