

Career Certificate

Early Childhood Education/Teacher's Aide

Curriculum Code: 939**Program Information**

This program is designed to allow students to adjust their course selections to area preschool or local school system requirements. Students learn to relate effectively to others in an early childhood environment and to select language, art, math, science, and musical activities designed to stimulate creativity and growth in young learners. With this certificate, students have the basic competencies needed to begin employment as teacher aides in preschools, child care facilities or Abbott classrooms.

When You Graduate

Certificate programs provide specific career skills development as well as the opportunity to test an area of interest, or enhance a degree program. Students who complete a certificate program can continue to obtain a degree.
