

CUMBERLAND COUNTY COLLEGE

Course: CR 108 Clay CO-OP Experience – Studio

Credits: 3

Prerequisites

CR 102- Ceramics II and CR 106- Ceramics Technologies

Description

Focuses on all facets of studio management including how to keep track of inventory, how to maintain and order supplies, and how to run a safe and efficient studio. Students will meet with the instructor of Ceramics III, who will organize the work schedule. Students are expected to work four hours a week for fifteen weeks in the studio.

Learning Outcomes

After the completion of this course, students should be able to:

- Classify inventory
- Identify and order chemicals and raw materials
- Identify different ceramic suppliers making them aware who and where to purchase raw materials, replacement parts, and equipment.
- Complete minor repairs on kilns, pottery wheels, and studio equipment.
- Demonstrate loading and firing kilns and kiln maintenance
- Demonstrate the ability to recycle clay.

Topical Outline

Students will be evaluated on their participation in the various tasks involved with studio and equipment maintenance during their co-op experience course. The student's performance will be based on the following:

- Experience and involvement with all above studio operations (100% of the grade)

Required Texts and Other Materials

No text required.

Student Assessment

(Assessment may be accomplished through the completion of tasks and procedures involved with the gallery exhibitions.)

Academic Integrity

Plagiarism is cheating. Plagiarism is presenting in written work, in public speaking, and in oral reports the ideas or exact words of someone else without proper documentation.

Whether the act of plagiarism is deliberate or accidental [ignorance of the proper rules for handling material is no excuse], plagiarism is, indeed, a “criminal” offense.

As such, a plagiarized paper or report automatically receives a grade of **ZERO** and the student may receive a grade of **F** for the semester at the discretion of the instructor.

Available Resources

If you are having difficulty with work in this class, tutoring is available through the Success Center. If you think that you might have a learning disability, contact Project Assist at 856.691.8600, x1282 for information on assistance that can be provided to eligible students.

Before Withdrawing From This Course

If a student experiences adverse circumstances while enrolled in this course and considers withdrawing, s/he should see an advisor (division or advisement center) BEFORE withdrawing from the class. A withdrawal may cause harmful repercussions to completion rate standards and overall GPA which can limit or eliminate future financial aid in addition to causing academic suspension.
