## Preface to the 2007-08 Institutional Profile

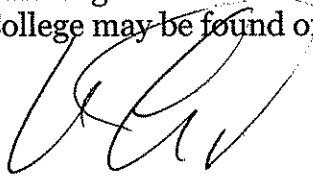

Accredited by the Middle States Association of Colleges and Schools, Cumberland County College offers over 100 programs of study leading to Associate Degrees, Academic Certificates, Career Certificates, and Short-Term Training Certificates. As of Fall 2007, over 3,500 students were enrolled in these programs. An additional 1,000 students were enrolled in Professional and Continuing Education courses.

In 2007-08, the College opened the Shirlee and Bernard Brown University Center. This facility provides classroom and office space for seven University Partners offering courses toward baccalaureate and master's degrees in programs such as Behavioral Science, Business Administration, Criminal Justice, Education, General Studies, Human Resources, and Nursing.

Also highlighting the year was the completion of the Paul Navone Healthcare Education Center which houses the College's Allied Health programs. The Navone Center contains Nursing and Radiography labs outfitted with the most current technology. Both facilities are the result of the State's Chapter 12 program and the generosity of County residents and support key initiatives related to the College's *Strategic Plan 2006-2011: Access, Alignment, and Accountability*.

The Cumberland County College *2008 Institutional Profile* contains information about the College, its students, faculty, staff, and programs. This year's *Profile* also highlights the contributions made by the College's faculty and staff to its community, Cumberland County, and supports the College's commitment to providing the public with information about its students and their educational outcomes.

Should you have questions about any information in the Profile, please contact the College's Planning and Research or Public Relations Offices. Additional information about the College may be found on its recently updated website <http://www.cccnj.edu/>.

Kenneth L. Ender, Ph.D.  
President

## Introduction

This *2008 Institutional Profile* includes the legislatively mandated information about Cumberland County College's students, faculty, trustees, programs of study, public service activities and major capital projects. The *Profile* is organized according to the "Proposed Form and Content of the Institutional Profile" defined by the New Jersey Commission on Higher Education. In addition to this *Profile*, the College provides reports on many other aspects of its mission, as described below.

## Cumberland County College Vision and Mission

Cumberland County College is an open-door, comprehensive community college dedicated to Pride, Service, and Excellence in all that we do. We are committed to the core elements of community college education:

Liberal Arts and Transfer;  
Career and Occupational Studies; and  
Continuing and Professional Education

### VISION...

Cumberland County College will serve as a catalyst for creating collaborative relationships across the county that enhance the quality of life through excellence in education, community leadership, and economic growth.

### MISSION...

To be a comprehensive community college that is accessible, learning-centered, and dedicated to serving a diverse community of learners and employers through quality innovative programs, services, and the appropriate use of technology, for life-long learning.

## Report on the Institution's Success in Meeting Its Goals and Objectives

Numerous reports are provided by the College concerning achievement of its mission, goals and objectives. These reports include the *2007-2008 Report to the Community*, the College's annual report, as well as annual evaluation and progress reports submitted to external agencies to monitor achievement of program goals and objectives. The College also reports to accrediting agencies such as the Middle States Commission on Higher Education. In 2006, the College's Board of Trustees approved the new *Strategic Plan 2006-2011: Access, Alignment, and Accountability*, which contains four strategic directions and eight strategic goals.

## **A. Accreditation Status**

### **1. Institutional Accreditation**

Cumberland County College is accredited by the Middle States Association of Colleges and Schools. Accreditation was reaffirmed in June 2001 for ten years and was again reaffirmed in November 2006. The most recent Periodic Review Report was submitted as required in June 2006.

### **2. Professional Accreditation**

The Nursing program is accredited by the National League of Nursing; the Radiography program is accredited by the Joint Review Committee on Education in Radiologic Technology; and the Paralegal program is approved by the American Bar Association.

## B. Number of Students Served

Student enrollment includes the official headcount enrollment in credit courses reported in Student Unit Record Enrollment files to the NJ Commission on Higher Education and to the National Center for Education Statistics as of the tenth day each fall semester. Students enrolled in credit courses are generally those seeking degree credit in one of the College's program majors leading to an associate degree, academic certificate, short-term or career certificate.

### New Program and Course Development in Academic Areas

Faculty and staff developed a new A.S. degree program in Biomedical Science which will be offered in Fall 2008. This program is designed as a transfer program and includes options for Pre-Biotechnology, Pre-Nursing, Pre-Radiography, Biology/Pre-Professional, and Athletic Training. New course offerings, revisions to existing academic programs, and development of new options such as online/hybrid courses, flex scheduling, and seven-week courses also have been created. Selected examples include:

- During the 2007-08 academic year, a new option in Theatre/Acting for the Associate in Fine Arts degree was developed.
- Flex scheduling courses such as online, telecourses, weekend power pack courses, self-paced and seven week courses were offered, as well as dual enrollment courses in English Composition I and II, and in Acting I and II.
- English faculty members continue to mentor adjunct English faculty and meetings for adjuncts by discipline area were held, as well.
- Four dual credit health career courses for high school students have been developed as part of the Healthcare Preparation Pathways Initiative.
- Courses in Introductory Sociology and Cultural Diversity were offered to high school students at Bridgeton High School.
- The Business, Computer Science, Social Science and Education Division has begun working with area high schools to develop two courses related to the Justice Studies career ladder.
- The Criminal Justice major was revised and renamed Justice Studies, with four concentrations: Criminal Justice/General; Corrections; Homeland Security; and Forensics Technology.
- Justice Studies faculty developed and offered a regional seminar on “Terrorism Since 9/11.”
- A new course, “Introduction to American Studies,” was developed to align with an upper division Education program.
- The Networking degree concentration was revised and faculty are upgrading all Computer Sciences courses to Microsoft Office 2007.
- A cooperative program in Psychosocial Rehabilitation was developed to be offered in Fall 2008.
- The Library staff taught Information Literacy to 104 student groups totaling 1,926 students.
- Library databases can be accessed remotely and in-house database use increased by 60 percent.
- Approximately 100 databases are available through the Library; over 20,000 database sessions and 188,331 searches were conducted through the library website; this represents an increase of over 20 percent in both online and remote searches over the previous year.
- The Success Center provided 2,463 hours of tutoring for 1,662 students during fall and spring of 2006-07.

### Foundation, Gifts, and Grant Programs

- The Shirlee and Bernard Brown University Center was officially opened in 2008. The Browns donated \$1 million to establish an endowment to assist with the operating costs of the \$6 million university center. Opening this Center is an important component of CCC's Strategic Plan which includes Strategic Direction 2: To identify and develop educational/career pathways (9<sup>th</sup> grade through associate and/or baccalaureate degree) aligned with "family sustaining jobs that have high growth potential for Cumberland County. The University Center encompasses 17,423 square feet featuring 12 classrooms, seminar and office space for University Partners.
- A \$1 million gift by Paul Navone made possible the endowment of the College's Paul Navone Healthcare Education Center, home to the Healthcare Career Pathway Program which is a significant part of the College's Strategic Plan, as well. The Navone Center features Nursing and Radiography laboratories that contain such interactive technology as SimMan, and Virtual I.V., classroom and office space to house the College's growing healthcare education programs.
- The College's Foundation annually awards \$300,000 in scholarship support to students. In addition the Foundation funds School Counts! Scholarships for two years of tuition for students who earn certificates for levels of high school attendance, rigor of curriculum, and on-time completion.

The College is directing all of its grant-seeking efforts toward funding initiatives that will support successful implementation of the College's current Strategic Plan.

- Direction 1 – Improve high school students' preparation for postsecondary education and/or the workforce.
  - High Schools That Work
  - WIA Youth – *School Counts!*
- Direction 2 – Develop career pathways
  - Community Based Job Training Grant for Healthcare – U.S. Dept. of Labor
- Direction 3 – Reduce achievement gaps of all students
  - College Bound – STEM Initiative funded by NJ Commission on Higher Education
  - Carl D. Perkins VATEA
  - Project Assist
- Direction 4 – Accountability
  - Data collection requirements for all grant funded projects assist with the compilation of data sets to support program accountability.

## Enrollment Services

The Enrollment Services area of the College supports the overall mission by fostering increased awareness of and accurate information about the College's programs, and by facilitating recruitment, advisement, registration, orientation, financial aid, testing, tutoring, transcript certification, graduation, and transfer. ## K. Other Institutional Information (Optional)

In 2005-06 Cumberland County College adopted its *Strategic Plan 2006-2011: Access, Alignment, and Accountability*. The Plan contains Four Strategic Directions and Eight Strategic Goals as listed below.

<p><b>Strategic Direction 1.</b> Increase the number of Cumberland County high school graduates who have knowledge and skill sets commensurate with postsecondary education expectations and/or entry level skills for the 21st Century job market.</p>
<p><b>Strategic Goal 1.</b> With high school partners develop and articulate a high school curriculum that if successfully pursued, will provide high school graduates with the knowledge and skills necessary to enter post-secondary education without remedial education.</p>
<p><b>Strategic Direction 2.</b> Identify and develop educational/career pathways (9th grade through associate and/or baccalaureate degree) aligned with “family sustaining” jobs that have high growth potential for Cumberland County.</p>
<p><b>Strategic Goal 2.</b> Implement career/academic educational clusters for high school students and others in: (1) Architecture and Construction; (2) Business Management and Administration with Pathways in Hospitality, Tourism, and Retail; (3) Education and Training; (4) Health Science; (5) Law, Public Safety, and Security, through the community education, certificate, associate and baccalaureate degree levels.</p>
<p><b>Strategic Goal 4.</b> Construct and open a University Center on CCC’s campus that will provide baccalaureate degrees, through partnerships, in programs aligned with appropriate associate degree programs and high growth industries in Cumberland County and the region.</p>
<p><b>Strategic Goal 5.</b> Develop and deliver a variety of “work readiness” credentials.</p>
<p><b>Strategic Direction 3.</b> Increase the achievement rate of all students while reducing the “achievement gaps” between and among various student cohorts at Cumberland County College.</p>
<p><b>Strategic Goal 3.</b> Develop programs designed to attract and aid the entry of historically underrepresented populations into career clusters specifically within science, technology, engineering, mathematics, and education.</p>
<p><b>Strategic Goal 6.</b> Provide multiple options for curriculum and services delivery aligned with student needs and availability.</p>
<p><b>Strategic Goal 7.</b> Communicate effectively with constituents from diverse language backgrounds.</p>
<p><b>Strategic Direction 4.</b> Identify, disseminate, and report on data points measuring a continuous improvement process.</p>
<p><b>Strategic Goal 8.</b> Develop strategies for measuring student success and utilize results to provide targeted support.</p>

Strategic objectives based on these goals are developed each year and monitored through the College’s Strategic Dashboard.
