

## CUMBERLAND COUNTY COLLEGE

### **Course: RT 100 Radiography Theory & Clinical Remediation**

**Credits:** 2

### **Pre-requisites**

None

### **Course Description**

Provides individual classroom and laboratory instruction. The course is available to students who have been unable to successfully complete first year Radiography Program course co requisites.

### **Learning outcomes**

At the completion of this course, the student will be able to:

- Successfully complete Radiography program co-requisites as required by the student's unique situation.
- Perform radiographic imaging procedures that adhere to required professional standards.
- Safely operate a variety of diagnostic support equipment in order to produce quality images
- Recognize, assess and respond to an individual's physical and emotional needs.
- Evaluate completed images for quality and diagnostic value.

### **Required Texts and Other Materials**

None

### **Student Assessment**

To successfully complete this course, the student must:

- 1) complete final exams with a grade of  $\geq 75\%$  for:
  - RT 101 Introduction to Radiographic Science
  - RT 102 Radiographic Procedures I
  - RT 104 Radiographic Exposure I
  - RT 106 Radiographic Exposure II
  - RT 107 Radiographic Procedures II
  - RT 121 Radiation Protection & Biology
- 2) Complete film evaluations with a grade of  $\geq 75$ .
- 3) Complete simulated lab evaluations with a grade  $\geq 90$ .

### **Academic Integrity**

Plagiarism is cheating. Plagiarism is presenting in written work, in public speaking, and in oral reports the ideas or exact words of someone else without proper documentation. Whether the act of plagiarism is deliberate or accidental [ignorance of the proper rules for handling material is no excuse], plagiarism is, indeed, a "criminal" offense. As such, a plagiarized paper or report automatically receives a grade of ZERO and the student may receive a grade of F for the semester at the discretion of the instructor.

### **Available Resources**

If you are having difficulty with work in this class, tutoring is available through the Success Center. If you think that you might have a learning disability, contact Project Assist at 856.691.8600, x1282 for information on assistance that can be provided to eligible students.

### **(List availability of open labs and/or writing center)**

### **Before Withdrawing From This Course**

If a student experiences adverse circumstances while enrolled in this course and considers withdrawing, s/he should see an advisor (division or advisement center) BEFORE withdrawing from the class. A withdrawal may cause harmful repercussions to completion rate standards and overall GPA which can limit or eliminate future financial aid in addition to causing academic suspension.
